RE: May 2013 Monthly Report

During the month of May, the West Lafayette Police Department received 2,173 calls for service, a decrease of 145 calls (6%) from April, and an increased of 116 calls (5%) from May 2012.

May was a busy month with graduation ceremonies at West Lafayette High School and Purdue University generating many out of town guests into our city for the events. As Purdue students complete the semester and are moving out, the Dumpster Program was again implemented by the West Lafayette Neighborhood Resource Team and partnered with Goodwill to collect unwanted items, in an effort to keep our neighborhoods clean. This program could not be done without the help of the West Lafayette Street Department. The Dumpster Program collected just over 36 tons of rubbish that never made it to our streets and alleys for collection.

During the month of May, Officers participated in ceremonies for Police Memorial Week, where we honor the Officers who have given the ultimate sacrifice in serving their communities. We participated with the Tahlman Mile at Cumberland School, and Officers rode bikes in the "Ride to Work Day" event. We participated in the IU Health Arnett Hospital "Health & Safety Fair", as well as the West Lafayette Farmer's Market.

The members of the West Lafayette Narcotics Unit received information that resulted in a traffic stop of a suspicious vehicle. With the assistance of an LPD K-9 Officer, the investigation resulted in the arrest of two subjects, and the seizure of approximately 29 grams of Heroin that had been individually packaged. As a result of the joint effort between two agencies, the Heroin seizure is the largest the West Lafayette Police Department has made in the past 15 years
